2. _____ Retail price: _____
3. _____ Retail price: _____
4. _____ Retail price: _____

All work will be judged on originality, suitability for this venue, design, technique and presentation. NO critique will be provided for work that is not accepted. (The artisan in this case is responsible for return shipping fees if from out of town.) The Gallery Shop does not accept any responsibility for work that has not been picked up after a period of three months after the artisan has been notified.

Jury samples must be properly packed and labelled. An artist bio, product information re: care, technique, type of material, etc. is helpful to the jury committee.

The Gallery Shop operates on a consignment basis, 60% to the artisan; a yearly membership is also required. If accepted, work must be priced the same as at all other venues in which the artisan has work for sale.
