HELPFUL HINTS FOR A SUCCESSFUL CHRISTMAS MARKET

- ✓ All work must be accompanied by an inventory sheet listing the items and price. (CVAG will print the price tags). Please put your name and consignor number on sheet.
- ✓ Quality, original Christmas decorations, in the \$5 - \$20 range, are very popular.
- ✓ Gifts for men - shaving mugs/soap, jewellery, etc. Picture Frames, Coffee Mugs
- ✓ Children's Gifts – stocking fillers are always needed. Wooden items are less popular.
- ✓ Display stands help showcase your work.
- ✓ Artist Bios, artist cards and product info help sell work.
- ✓ Earrings & necklaces are more easily and effectively displayed when on cards or stands.
- ✓ Pendants sell more easily if chains are also available, with Gift Boxes
- ✓ CVAG will not be responsible for damage to items not wrapped or protected, i.e. paper products (cards, prints etc.), fabrics, soaps, etc. We do not pay out for damages to glass.
- ✓ We are unable to return unsold work by post or courier following the fair.
- ✓ Allocation of space at Fair is the decision of the Gallery Shop Manager.
